## About Catie Foley

Catie is a fully qualified actuary who earned her fellowship designations from both the Canadian Institute of Actuaries (FCIA) and the Society of Actuaries (FSA) in 2020. With ten years of experience in the actuarial field, Catie transitioned from pension consulting to expert evidence and litigation support in 2023.

Catie has experience working with government and private sector employers to maintain, administer, and manage their defined benefit and shared risk pension plans. She has delivered dozens of presentations and information sessions to pension plan members, administrators, and sponsors, providing them with expert guidance and education.

Catie holds a Bachelor of Mathematics degree from Carleton University and a Bachelor of Education degree from Memorial University. In 2022, she joined Dalhousie University's faculty as a part-time instructor, teaching actuarial science. She currently serves as Vice-chair of the Education and Assessment Sub-Committee for the Canadian Institute of Actuaries and is an active participant in the implementation of the CIA's updated actuarial educational structure.

Originally from Conception Bay South, Newfoundland and now residing in Fredericton, New Brunswick, Catie provides actuarial services to clients in Ontario and the four Atlantic provinces.

For family law lawyers, she provides marriage breakdown pension valuations, income tax adjustment reports, and "Boston" calculations. She also assists clients in the drafting of the pension-related sections of separation agreements.
